What the plan includes

04 SERVICES

N°001 **Continuous improvement**

Performance, image weight, unused interactions, technical SEO: your site does not degrade as you publish.

N°002 **One content update per month**

Text, image, publishing a blog post already written — handled at no extra cost.

N°003 **New features & Webflow releases**

A new block, form, filter, simple integration, rolling out platform updates: **up to half a development day per month.**
Beyond that, or for a journey redesign: quoted per project, outside the subscription.

N°004 **Support & technical advice**

Your questions get an answer: technical trade-offs, tooling choices, upcoming changes. Picked up within 10 working days.

Available for Webflow sites only

It does not cover business applications, AI agents, or sites built on another technology. Those projects fall under the Support, Growth or Partnership plans.
